Motor Trade Insurance

As a recognised specialist in Road Risks Insurance throughout the UK we are now pleased to announce the launch of new Motor Trade Garage Risks products.

Competitive premiums are available for all the following types of cover:

- **Road Risks - Third Party, Third Party Fire & Theft or Comprehensive cover**
- **Garage Risks including Public & Employers Liability, Buildings, Equipment, Tools & Stock, Defective Workmanship up to £5M**
- **Road Risks and Garage Risks can be combined**

Cover is available for all aspects of the trade including sales, repairs, servicing or MOT's, recovery agents and car breakers. More specialist areas can also be catered for, e.g. customer loan extensions and vehicles in transit.

Our experienced scheme underwriters will handle your enquiry often providing a quotation by telephone - more complex enquiries will always receive a speedy response.
